PROJECT H.O.M.E.
HOME OWNERSHIP MADE EASIER

A Community Outreach Program
of the Shelby County Trustee's Office

"We want to help you stay in your home."
~ Regina Morrison Newman,
Shelby County Trustee

What is Project H.O.M.E.?

Each year thousands of Shelby County home owners face the possibility of losing their property due to unpaid property taxes. The Shelby County Trustee recognizes the financial challenges all residents face but is also keenly aware of the overall impact of this issue on homeowners.

Project H.O.M.E.'s FREE financial counseling workshops and foreclosure prevention events put solutions into the hands of taxpayers.

Financial Counseling

Participants who successfully complete a free Project H.O.M.E. workshop and meet all the requirements are eligible for a payment plan. The payment plan reduces the risk of the taxpayer's property being sold in a tax sale to satisfy their tax debt. A sample spending plan PDF is available at www.shelbycountysteel.com on the Community Outreach page under "About Us."

Qualifications

- Initial payment — To confirm your initial payment amount, please call the Trustee's Collections Department at 901-222-0250.
- Workshop certificate
- Completed spending plan or monthly income/expense worksheet presented at workshop
- Valid driver's license or state ID
- Copy of will or affidavit of heirship if not listed on deed as property owner
- The property is the primary residence of the owner

Workshop candidates are anyone who:
